VI Peel

Suitable for all skin types, VI Peel helps improve tone, texture, and clarity while providing powerful anti-aging benefits.

VI PEEL

- Reduces the appearance of fine lines and wrinkles.
- Smooths rough skin texture and restores even skin tone.
- Stimulates collagen production and cell turnover.
- Exfoliates, helping to diminish dark spots and textural damage.
- Restores skin to its natural health.
- Effectively penetrates skin damage.

Single Peel - \$295 | Series of 3 - \$825

SkinPen Microneedling

Using the SkinPen device, minor, controlled skin injury is created with micro-fine needles. This treatment triggers the body's natural wound healing process to rebuild, tighten and effectively improve major skin concerns such as:

- Uneven texture
- Large pores
- Sagging skin
- Acne scars
- Sunspots
- Fine lines and wrinkles

Face - \$295 | Series of 3 - \$825

Add-On

Neck + Chest - \$100 | Series of 3 - \$225
